

Breakfast Days

**The Social Service Pantry Needs Your Help
Week of June 5th through June 9th**

Share pancake mix, canned or bottled fruit juices, coffee/tea, oatmeal/cereals, and granola/cereal bars with special friends!

The Human Resources Coordinating Committee and Social Services of Ridgewood are asking all elementary and middle school children of the Ridgewood Public Schools to bring in a favorite breakfast item, as listed above, for donation to Social Services of Ridgewood. Cereal is one of the most popular items and it leaves the shelves as quickly as it arrives. The kids enjoy the name brands, as that's not often a choice. Please bring your non-perishable breakfast item the week of Monday, June 5th through Friday, June 9th. Social Services will pick up all items on Friday, June 9th at the schools. Any questions: Please call Judy Saydah at Social Service Association of Ridgewood, 201-444-2980.

Thank you for your dedication!
