

Gift Drive!

Do you have toys or gifts that remain unopened from the holidays or want to help make a child's birthday extra special?

The Travell community is collecting birthday presents for the children of the Nurturing Place (www.yorkstreetproject.org) in Jersey City, a childhood development center for homeless and low-income infants and children. The collected gifts will be distributed throughout the year to make each child's birthday special during their time of transition.

Gifts should be new (in original packaging), unwrapped and appropriate for children aged 0-10 years. Please leave in designated box in the lobby before February 1st.

Any questions please contact Kelly Kirtane at kellybayersdor@gmail.com

“Somewhere along the way, someone put their hands on the shoulder of a child and said ‘you matter’. That’s what you’re doing here collectively. You signify this child matters... this life.”

– Journalist and Commentator, Bill Moyers
