

Going on vacation?

Don't know what to do with all of those mini soaps, lotions, and shampoos from your hotel.

Why not donate them?

Travell is holding a toiletry drive through February & April breaks. We will be collecting trial/sample size toiletries you may receive while you are traveling. Donations will go to Bridges, a not-for-profit, based in Summit, which works with partner organizations to distribute donated items such as toiletry kits to the hungry, homeless & working poor on the streets of Newark, Irvington, & New York. There will be a box by the front office to collect your toiletry donation.

Thank you!!!
