

## **Fifth Grade Students Going to Middle School:**

**Your 5th grader may be in need of updated immunizations (DTaP and Meningococcal as per age and state requirements). See your physician for details.**

**If your child plans to participate in any middle school intramural sport, the State of New Jersey Department of Education and RWBOE, requires that forms be completed by parent, student, and physician before the sport begins. Please make sure all signatures are filled in.**

**Your physician should have the appropriate forms, but you can download them off the Travell website.**

### **- Pre-Participation Physical History Form**

**-Pre-Participation Physical Exam Form**

**-Pre-Participation Clearance Form**

**-Special Needs Form**

### **- Sudden cardiac death Sign-Off Sheet**

**If your child's athletic physical forms and/or immunizations are completed by June 9, you may bring the forms to the Travell Health Office. After June 12, please bring forms to the middle school health office or mail to BFMS during the summer.**
